2. LEGAL GROUNDS & APPLICABLE PENAL PROVISIONS

The content depicted above has been analysed via the BharatShield Deepfake Detection Platform and classified as synthetic with high confidence. Under the Information Technology Rules and the Bharatiya Nyaya Sanhita, 2023, circulating deepfakes of public figures constitutes cheating by personation and forgery. The following charges are applicable:

- **Representation of the People Act, 1951 Sec 123(4):** Corrupt practice to prejudice an election through false statements
- **Bharatiya Nyaya Sanhita, 2023 Sec 356:** Criminal defamation through morphed/synthetic media
- **Bharatiya Nyaya Sanhita, 2023 Sec 336:** Forgery of electronic records to cheat

3. ACTION REQUIRED FROM INTERMEDIARY

Pursuant to Rule 3(1)(b) of the IT Amendment Rules, 2026, you are directed to immediately disable access to the infringing content within the compliance window, preserve all associated metadata and upload IP logs for a period of 180 days, and report back compliance to the Cyber Crime Coordination Centre.
